

**STR REGULATIONS FOR UNINCORPORATED SUMMIT COUNTY
ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS
DECEMBER 18, 2018**

**NEW CODE SECTION INSERTED INTO THE SUMMIT COUNTY LAND USE AND
DEVELOPMENT CODE, CHAPTER 3: ZONING REGULATIONS**

3821: Short-term Vacation Rentals

3821.01: Purpose and Applicability

- A. The purpose and intent of this section of the Code is to establish comprehensive permitting regulations to safeguard the public health, safety and welfare by regulating and controlling the use, occupancy, location and maintenance of short-term vacation rental properties within the unincorporated areas of Summit County.
- B. These regulations are also intended to ensure that short-term vacation rentals are operated in a manner that is compatible with the surrounding neighborhood and protects the overall community character.
- C. The regulations set forth in this Code section shall apply to short-term vacation rental property only, as defined herein. This Code section shall not apply to the furnishing of lodging services in hotels, motels, lodges or bed and breakfast establishments, timeshares / fractional ownership units, or to properties with long-term leases.
- D. This Code section shall not supersede any private covenants or deed restrictions prohibiting short-term vacation rental property.

3821.02: Definition of Short-term Vacation Rental Property

- A. **Definition:** A short-term vacation rental property, for the purpose of this Section, is defined as a residential dwelling unit, or any room therein, available for lease or exchange for a term of less than thirty (30) consecutive days. A short-term vacation rental property as regulated by this section is differentiated from a bed and breakfast establishment, which is regulated by [Section 3803](#) of this Code.

3821.03: Zoning Districts Where Permitted

- A. [Figure 3-2](#) identifies where short-term vacation rentals may be allowed in various County zoning districts. Short-term vacation rentals are also allowed in the antiquated residential zoning districts remaining in effect listed in [Section 3305.01](#), unless specifically prohibited in that zoning district.
- B. PUDs: A short-term vacation rental may be permitted in specific PUDs that allow residential uses, without necessitating a PUD modification, provided such use complies with the permit requirements of Section 3821 et seq. A PUD may be amended to provide for standards and criteria that differ from those of [Section 3821 et seq.](#) provided the purpose and intent of Section 3821 continues to be met. Short-term vacation rentals shall not be permitted in a PUD which specifically prohibits such use.
- C. Short-term vacation rentals of deed restricted affordable workforce housing or employee housing properties is prohibited unless specifically authorized by the deed restriction for the property.

3821.04: Permit Required

- A. A permit is required for each short-term vacation rental property in unincorporated Summit County. Short-term vacation rental applications will be reviewed through the Class 1 administrative review process. If the Planning Department finds that the application complies with Section 3821 of the Code, the Planning Department shall issue a short-term vacation rental permit. The permit shall be issued in the name of the owner and shall not be transferable. All short-term vacation rental properties shall receive a permit prior to advertising or operation.
- B. For any short-term vacation rental which proposes an occupancy of 20 or more persons, or proposes to deviate from occupancy, parking or other site standards in this Section, the application shall be reviewed as a Class 2 administrative review conditional use permit as further described in Section 3821.14.
- C. The Review Authority may impose any conditions of approval upon any permit in order to ensure that the criteria set forth herein, and the purpose and intent of this Section 3821, are met and adhered to.

3821.05: Application

- A. At least thirty (30) days prior to any advertising for or lease of a short-term vacation rental property, the owner shall file a written application for a short-term vacation rental permit with the Planning Department, on forms supplied by the County. The application shall not be deemed complete until all required information is submitted.
- B. Application Materials. An application for a short-term vacation rental permit shall include the following, and may be electronically submitted in accordance with the submittal process as may be established by the County:
 - 1. Application form
 - 2. Application fee, as established by the Board of County Commissioners via resolution.
 - 3. Self-Compliance Affidavit, signed by the owner under penalty of perjury, certifying that the short-term vacation rental property is in habitable condition and complies with the health and safety standards set forth in Section 3821.08, the site and operation standards for mitigating community impacts set forth in Section 3821.09, and the advertising requirements set forth in Section 3821.11.
 - 4. A short-term vacation rental Agent and Owner Authorization Form. This form appoints and provides contact information for a designated point of contact, who shall be available 24 hours per day, 7 days per week, in accordance with the requirements set forth in Section 3821.07.
 - 5. Documentation of an adequate water supply and sewer service to serve the proposed use (i.e. special district, well, septic system).
 - 6. A parking plan for the property, which complies with the parking requirements set forth in Section 3821.09.A.
 - 7. A trash disposal plan for the property, which complies with the requirements set forth in Section 3821.09.B.
 - 8. Proof of all required state and local sales tax licenses and personal property tax declaration forms.
 - 9. A copy of the Good Neighbor Guidelines, signed by the owner, certifying that owner has read and understands the guidelines for responsible operation and will make these guidelines available to all renters in the rental agreement and by posting it in a prominent location within the property.

3821.06: Length of Validity / Permit Term

- A. A short-term vacation rental permit shall expire on September 30 of the calendar year following the year of initial permit issuance, or when title of the short-term vacation rental property transfers to a new owner, whichever occurs first. For example, an initial STR permit issued in 2019 shall be valid until September 30, 2020. Each change in ownership of a short-term vacation rental property shall require a new permit.
- B. An application for renewal of a short-term vacation rental permit shall be submitted at least thirty (30) days prior to expiration of the existing permit.
- C. A short-term vacation rental permit which is not renewed prior to expiration shall be considered expired, with the exception of the following grace periods provided:
 - 1. When title of a short-term vacation rental property transfers to a new owner, the new owner or responsible agent shall be given a 30-day grace permit to submit a new STR permit application within 30 days of closing on the property. Applicants submitting a new STR permit application within this 30-day grace period are not subject to a penalty fee.
 - 2. Any County-approved STR permit may be renewed within 60 days following expiration subject to the penalty fee as adopted by the County. After more than 60 days following expiration, a new permit application and review shall be required.

3821.07: Responsible Agent Required

- A. Each owner of a short-term vacation rental property shall designate a person or company to serve as the responsible agent. An owner of a short-term vacation rental property may designate himself/herself as the agent.
- B. The responsible agent shall have access and authority to assume management of the unit and take remedial measures. The agent shall be available 24 hours per day, 7 days per week to respond to potential issues and violations related to this Code. The responsible agent must be able to affirmatively respond to complaints within an hour of notification of such complaint being sent via email or text.
- C. In the event of a fire ban within Summit County, the agent is required to notify renters of the current fire restrictions and provide renters with instructions on how to access the Summit County Alert System for real-time information during their stay.
- D. The owner shall notify the Planning Department in writing of any modification to the responsible agent appointment within five (5) days of any such modification.

3821.08: Health and Safety Standards

- A. Buildings, structures or rooms shall not be used for purposes other than those for which they were designed or intended.
- B. Roofs, floors, walls, foundations, ceilings, stairs, handrails, guardrails, doors, porches, all other structural components and all appurtenances thereto shall be capable of resisting any and all forces and loads to which they may be normally subjected, and shall be kept in sound condition and good repair.
- C. Smoke detectors, carbon monoxide detectors and fire extinguishers shall be installed and operable, and all wood-burning fireplaces and stoves shall be cleaned on an annual basis per [CRS 38-45-104](#).
- D. An operable toilet, sink, and either bathtub or shower shall be located within the same building, and every room containing a toilet or bathtub/shower shall be completely enclosed by walls, doors, or windows that will afford sufficient privacy.
- E. There shall be a sufficient number of trash receptacles to accommodate all trash generated by those occupying the short-term vacation rental property.
- F. Permitted occupancy shall be limited to the following maximums for each residential unit type:
 - 1. Single family, duplex and townhome units: a) two (2) persons per bedroom plus four (4) additional occupants; OR b) 1 person per 200 square feet of living area, whichever allows for a greater occupancy.
 - 2. Condominium units: a) two (2) persons per bedroom plus four (4) additional occupants, or two (2) persons per bedroom plus two (2) additional occupants in buildings with interior egress corridors less than 44 inches wide and without a sprinkler system; OR b) 1 person per 200 square feet of living area, whichever allows for a greater occupancy. When a condominium unit contains [a County-approved lock-off room](#) that meets the definition of a lock-off room set forth in Chapter 15 of the Development Code, the lock-off room shall be allowed a total of 4 occupants.

For the purposes of these regulations, [a loft which meets the Summit County Building Department requirements for a potential sleeping room](#) shall be allowed 2 occupants. Studios will be treated as one-bedroom units for the purposes of this Section. Additional occupancy limitations apply to any short-term vacation rental property that is served by a septic system, per the regulations set forth in Section 3821.13.

- G. Partial home short-term vacation rentals shall be advertised and used consistent with the permitted use as a single dwelling unit including occupancy limits and access (i.e., shall not be advertised as a separate apartment, and shall not solely utilize a separate entrance). Lockoff units that have been approved by Summit County shall be permitted to be used as separate short-term rental units in accordance with the regulations in this section, unless such lockoff units have been encumbered by a covenant that expressly prohibits short-term rentals. The permitted occupancy of a property containing both a primary STR unit and a secondary STR lockoff unit shall be calculated as the combined maximum occupancy, considering each of the two units operating as separate individual short-term rental units.
- H. Outdoor fire pits shall be permanently installed improvements that are permitted and inspected by the applicable fire district and/or the County Building Department, if required per applicable building and fire code requirements. STR owners/applicants should check with their applicable fire district and the County Building Department to determine if permits are needed. The use of portable outdoor fireplaces is prohibited.
- I. Electrical panels shall be clearly labeled.
- J. All short-term vacation rental properties shall have reliable cellular or VoIP service available or provide access to a landline telephone to enable tenants to call 911 in the event of an emergency.
- K. Sanitary Standards and Rules for Public Accommodations – Where Applicable, all short term rental property owners shall understand and maintain compliance with the Sanitary Standards and Regulations for Public Accommodations set forth in the Code of Colorado Regulations, Official Publication of the State Administrative Rules [Section 6 CCR 1010-14](#). The purpose of these regulations is to provide minimum requirements for the protection of the health and safety of the occupants of public accommodations and community residents.
- L. All hot tub / spa installations require both a building permit and an electrical permit from the County Building Department, in accordance with existing County regulations. Hot tubs / spas and swimming pools shall be properly maintained in a way to prevent the spread of illness. This can be achieved by following the requirements set forth in the [Colorado Regulation Pertaining to Swimming Pools and Mineral Baths 5CCR 1003-5](#).

3821.09: Site Plan and Operation Standards to Mitigate Community Impacts

- A. **Parking:** A minimum of one (1) parking space is required per unit, up to a maximum of five (5) cars permitted to be parked outdoors on any property; or, if a customized parking arrangement has been previously authorized by the County for the subject development, the applicant shall demonstrate compliance with the existing parking plan previously approved through the relevant site plan review or PUD for the subject residential development. If a lockoff unit is proposed for separate occupancy (i.e. 2 STR units on the same property) a minimum of one (1) additional parking space will be required for the lockoff unit, in addition to the parking provided for the primary unit. Designated parking spaces shall comply with all applicable parking requirements set forth in [Section 3700](#) of this Code. All vehicles shall be parked on-site in designated parking areas; parking is prohibited on County roads, in any landscaped area, or in a manner that blocks egress for adjacent residents (driveways, sidewalks, alleys or mailboxes). A copy of the County-approved parking plan for the short-term vacation rental property shall be provided to all renters in the rental agreement and posted in a prominent location within the property.
 - 1. The allowable number of parking spaces shall be clearly stated in all short-term vacation rental advertising.
 - 2. A property owner may request an increase in the maximum number of allowed parking spaces through a Class 2 administrative review conditional use permit if the parking is found to be consistent with neighborhood character, including location and visual buffering from adjacent properties.
- B. **Trash Disposal and Collection:** All short-term vacation rental properties shall provide a trash disposal and collection plan to ensure that trash containers are not left outdoors where they can cause issues for wildlife or snow removal operations. The proposed trash disposal and collection plan shall be reviewed and approved by the County during initial permit review and during review of any permit renewals. Examples of acceptable trash disposal and collection plans may include:
 - 1. Indoor storage of trash with concierge/valet collection service provided by the waste hauler at the time of pickup.
 - 2. Storage of trash using bear-proof containers, with trash containers to be put out by the responsible agent no earlier than 6:00 a.m. and returned to the designated location by 7:00 p.m. on the day of pickup.
 - 3. Trash disposal is managed by the development property owners' association, and renters will be instructed on the location and requirements for trash disposal.
- C. **Noise:** Renters shall be informed of the [Summit County noise ordinance](#), which is enforced by the County Sheriff's Department for all properties located in unincorporated Summit County.
- D. **Outdoor Lighting:** All outdoor lighting shall comply with the exterior lighting requirements set forth in [Section 3505.07](#) of this Code.
- E. **Pets:** If pets are allowed, renters shall be informed of applicable requirements for controlling pets, pet waste disposal, and barking/noise considerations set forth in the Summit County Animal Control and Licensing Regulations. These Regulations are enforced by the County Sheriff's Department for all properties located in unincorporated Summit County. All short-term vacation rental properties shall comply with the County Animal Keeping Regulations set forth in [Section 3802](#) of this Code, and all pet food shall be stored indoors.

3821.10: Signage

- A. An owner shall post a sign or notice conspicuously inside the short-term vacation rental property, which includes the responsible agent's current contact information and/or the owner's current contact information, the street address of the short-term vacation rental property and the short-term vacation rental permit number.
- B. The Good Neighbor Guidelines, parking plan and trash disposal requirements shall be posted in a prominent location within the short-term vacation rental property.
- C. Any exterior signs advertising a short-term vacation rental must first be reviewed and approved in accordance with the Summit County sign regulations contained in [Chapter 9](#) of this Code.

3821.11: Advertising

All advertising for a short-term vacation rental property shall include the Summit County short-term vacation rental permit number, immediately following the description of the short-term vacation rental property, along with the relevant occupancy and parking limitations.

3821.12: Taxes

The owner or agent shall collect and remit the required sales and personal property taxes for each short-term vacation

rental property.

3821.13: Short-term Vacation Rental Properties served by Well and/or Septic Systems

- A. If a short-term vacation rental property is connected to an On-site Wastewater Treatment System (OWTS) for sewer service, the following requirements shall apply:
 - 1. Occupancy Limits - the maximum overnight occupancy of the unit shall be limited to the capacity established on the OWTS permit. OWTS systems in Summit County are typically designed to accommodate a maximum occupancy of 2 persons per bedroom.
 - 2. Septic Tank Pumping— Effective October 1, 2019, a septic tank pumping shall be completed by a Summit County Licensed System Cleaner every 3 years, or more frequently as determined by the Summit County Environmental Health Department during each County review of a permit renewal application for the property. Upon initial application, a pumping report will be accepted within 3 years of the date of that inspection. If the OWTS is in a state of malfunction, the Short Term Rental permit will not be issued until repairs are made and approved.
- B. If a short-term vacation rental property is served by an on-site well for domestic water use, the following requirements shall apply:
 - 1. Individual wells shall provide an adequate water supply in terms of quantity, quality, and dependability for the proposed use per the [Colorado Primary Drinking Water Regulation 5 CCR 1002-11](#) where applicable.

3821.14: Criteria for Review for Conditional Use Permit

- A. A Class 2 administrative conditional use permit application shall be required for any proposed short-term vacation rental which proposes an occupancy of 20 or more people, or proposes to deviate from the occupancy, parking or other site standards in this Section.
- B. There may be instances in which unique characteristics of a property would allow for site standards such as occupancy and parking in excess of what is prescribed by Sections 3821.08 and 3821.09. In those instances, a property owner may apply for a Class 2 administrative review conditional use permit to request differing occupancy and/or parking standards.
- C. The conditional use permit application shall be reviewed in the context of the property and neighborhood to consider whether the types of uses in the neighborhood, the home size, lot size and distance to neighboring properties can potentially enable these properties to accommodate higher occupancies and/or additional cars parked on site. Applications shall be referred to referral agencies such as the water and sanitation districts (or State Engineer and Environmental Health Department for units on well and septic), fire department, building department, etc., in order to evaluate whether the unit is able to adequately accommodate the proposed occupancy and vehicle parking, given the capacity of the existing services and infrastructure and the potential impacts to the adjacent residents. Criteria for review of the application shall include the following:
 - 1. The proposed use and occupancy of the STR property meets the applicable building and fire code requirements for maximum occupancy of the structure, and protects the public health, safety and welfare.
 - 2. The existing services and infrastructure (e.g., water supply, sewage disposal capacity, access, on-site parking spaces) can support the proposed use and occupancy of the property, or the applicant has obligated himself/herself to provide the necessary services and infrastructure in sufficient time to serve the proposed use.
 - 3. The proposed operation of the STR will ensure preservation of the residential character of the neighborhood where it is located. The amount of traffic and noise from lodging guests will not result in significant adverse impacts to the adjacent neighborhood.
 - 4. There is adequate separation and buffering of the STR use from adjacent residences and public rights-of-way to mitigate potential impacts on the surrounding neighborhood, including traffic, additional parking and noise. Standards for demonstrating adequate separation and buffering include but are not limited to: orientation of the STR unit on the property away from nearby residential structures; linear separation from other residential structures; separation from other structures by an intervening right-of-way; topographic features such as rock formations or grade differences; and mature vegetation or fencing.
- D. Public Noticing for a Class 2 conditional use permit shall consist of a public notice sign posted at the property, in accordance with [Section 12000.10](#).

3821.15: Notice

- A. Any notice required by this Code Section to be given to an owner is sufficient if sent by first-class mail to the address provided by the owner on the most recent permit or renewal application. Notice given to the responsible agent, by first-class mail to the address provided by the owner, shall also be sufficient to satisfy any required notice to the owner under this Code Section.
- B. The County shall provide written notice to all contiguous property owners and the homeowners association (HOA), if applicable, notifying them of any STR permit application that includes proposed changes to the exterior of a property or building.

3821.16: Complaints, Enforcement and Permit Revocation

- A. Initial complaints concerning a short-term vacation rental property shall be directed to the responsible agent. The agent shall respond to the complaint, including visiting the site if necessary.
- B. If an initial complaint is not resolved, a formal complaint may be filed with the Planning Department or designee. The formal complaint shall describe in detail the violation(s) of this Section alleged to have occurred on the short-term vacation rental property. Within three (3) days of receipt of such a complaint, the County shall provide a copy of the formal complaint to the owner and agent if applicable. Formal complaints shall be signed by an individual and subject to public inspection; no anonymous formal complaints shall be accepted.
- C. The County shall investigate any formal complaint received, in order to determine if it is a substantiated complaint that represents a documented violation of any provision(s) of this Section 3821. Violations of this Section 3821 shall be subject to the code enforcement provisions set forth in [Section 14300](#) of this Code, in accordance with any and all remedies provided by law, including but not limited to withholding any development approvals, inspections or permits and issuing stop work orders. It is the philosophy of Summit County to first educate and inform property owners or residents of the violation and provide them with an opportunity to correct the situation to comply with the requirements of this Code. If violations are not corrected or if there are repeat offenders of Code requirements, Summit County will then pursue more formal action as provided for in Section 14300 and by applicable law. Every violation of this Code may be deemed a criminal and/or civil offense and each day during which such violation continues shall be deemed a separate offense ([C.R.S. § 30-28-124](#)).
- D. If there is one or more unresolved substantiated complaints for a short-term vacation rental property, or if upon review at any time, the Planning Department determines that the permit holder has failed to comply with any of the performance standards, conditions or restrictions imposed by this Section 3821, by the short-term vacation rental permit itself, or by the representations and assertions made by the applicant in his or her initial permit application, the Planning Department may take such action as is deemed necessary to remedy the noncompliance, including but not limited to revocation of the permit. The Planning Department may revoke the permit for that short-term vacation rental property upon written notice to the owner. The County shall notify an owner, in writing, of any revocation and the reasons therefor.
- E. The owner may appeal any revocation by filing a written appeal with the Planning Department within ten (10) days of the date of the revocation notice. In the written appeal, the owner shall describe the reason for the appeal, and may request a hearing with the Community Development Director or designee. At the hearing, the owner shall have the opportunity to be heard on the revocation. Within ten (10) days of the hearing, the Community Development Director or designee shall either uphold or reverse the revocation, in writing. The decision of the Community Development Director is appealable to the respective Planning Commission pursuant to the applicable appeal procedures set forth in [section 13200](#) of the Code.
- F. For a minimum of two (2) years following revocation of a short-term vacation rental permit, the County shall not accept an application for a new permit for the same short-term vacation rental property; with the exception that a new application by a new property owner, proven to be unaffiliated with the property owner whose permit was revoked, may be considered.

3821.17: Appeal Procedure for Denial of Permit

If the application for a short-term vacation rental permit is denied, the applicant may appeal that decision to the Community Development Director within ten (10) days of receipt of written notice of such denial, otherwise the permit denial shall be final and not subject to appeal. All decisions by the Community Development Director may then be appealed to the respective Planning Commission, pursuant to the applicable appeal procedures set forth in Section 13200 of the Code. Appeals of Planning Commission decisions may be made as further set forth in Section 13200 of the Code.

PROPOSED AMENDMENTS TO CHAPTER 12: DEVELOPMENT REVIEW PROCEDURES

12000: DEVELOPMENT REVIEW PROCEDURES

C. Application of Development Review Processes:

1. Class 1: Planning Department Review and Action on Building Permits and Short-Term Vacation Rental Permits:

- a. General Description: The Class 1 development review process is the administrative review process for short-term vacation rental permits, and building permits and other related permits per the applicable Building Code, and is designed to run concurrently with, and mesh with, the Building Department's review of such permits. It is acknowledged that there may be unique situations where the Planning Department's review of building permits as a Class 1 development review may take longer than the Building Department's review based upon unique site considerations, such as but not limited to the presence of development constraints that pose a threat to the public health, safety or welfare. It is the goal of this process to have a seamless development review of building permit applications via the Class 1 development review process. The Class 1 development review process is designed to review short-term vacation rental permits, and building permits for development review applications that may be administratively acted on, as well as building permits for projects that are required by the provisions of the Code to be first reviewed and approved by either the Planning Commission, BOA or the BOCC (e.g. Site plan review for multi-family project must first be reviewed and approved by a Planning Commission prior to the Planning Department reviewing the building permit).
- b. Applicability: The Class 1 development review process shall be used for those development reviews identified as such in this Code, including but not limited to, the following types of applications:
 - i. Site plan review as required by Section 12600 et seq. for certain development that may be administratively reviewed and acted on by the Planning Department, including but not limited to single-family and duplex dwellings and permitted or accessory uses related thereto. If a Planning Commission site plan review is required either by a plat note, a Planned Unit Development ("PUD") provision or some other legal mechanism, such applications shall instead follow the Class 4 development review process and such items shall be placed on the Planning Commission's consent agenda.
 - ii. The Class 1 development review process is also the review process for building permits for projects that have been first reviewed and acted on by the Planning Department, Planning Commission, BOA or the BOCC.
 - iii. Small scale solar, small scale wind, and small scale wood burning energy systems as provided for in Section 3507 et seq.
 - iv. Short-term vacation rental permits as provided for in Section 3821 et seq.

2. Class 2: Planning Department Review and Action on Development Review Applications:

- a. General Description: The Class 2 development review process is the administrative development review process for development review applications that require more time than typically provided for during the building permit process, and for administrative planning applications that take more time based upon the nature of the request. Notwithstanding the foregoing, it is the Planning Department's goal to have an efficient administrative process for both the public and the development community.
- b. Applicability: The Class 2 development review process shall be used for development reviews identified as such in this Code, including but not be limited to, the following types of applications:
 - i. ...
 - xxiv. Conditional use permits for timber harvesting and extensive tree clearing on properties in the BC zoning district.
 - xxv. Conditional use permits for short-term vacation rentals as provided for in Section 3821.
 - xxvi. Other development reviews as provided by this Code.

12000.10: Public Noticing

- A. **Class 1 Development Review Applications:** Class 1 development review applications do not require any notice.
- B. **Class 2 Development Review Applications:** The following types of Class 2 applications shall only provide a

posted notice per Section 13100 et seq.:

1. Site plan review for accessory apartments as provided for in Section 3809.03 et seq.
 2. Site plan review for caretaker units as provided for in Section 3809.04.F. et seq.
 3. Temporary use permit for a real estate or construction office as provided for in Section 12400 et seq.
 4. Temporary use permit for off-premise construction staging areas as provided for in Section 12400 et seq.
 5. Site plan review for new nonresidential buildings or structures, excluding commercial and industrial uses, less than 2,500 square feet of floor area as provided for in Section 12600 et seq.
 6. Conditional use permits for animal keeping as provided for in Section 3802 et seq.
 7. Site Plan Reviews for all community gardens as provided for in Section 3801.
 8. Conditional use permits for short-term vacation rentals as provided for in Section 3821.
- Other Class 2 development review applications do not require public noticing.

PROPOSED AMENDMENTS TO CHAPTER 13: PUBLIC HEARINGS AND APPEALS

13200: APPEALS

13201.03: Appeals Heard By Administrative Staff

Designated Administrative Staff shall be responsible for hearing appeals of the following items (with the designated staff position responsible for hearing the appeal of each item identified below in parenthesis):

A. Planning Department Decisions on:

1. Short-term vacation rental permits per Section 3821 (Community Development Director).

PROPOSED AMENDMENTS TO CHAPTER 15: DEFINITIONS

Short-term Vacation Rental Property. A short-term vacation rental property is defined as a residential dwelling unit, or any room therein, available for lease or exchange for a term of less than thirty (30) consecutive days. A short-term vacation rental property as regulated by this section is differentiated from a bed and breakfast establishment, which is regulated by Section 3803 of this Code.

Time-share / Fractional Ownership Unit. A time-share or fractional ownership unit is a unit in a condominium building in which the exclusive right of use, possession or occupancy of the unit circulates among the various owners with a fixed time schedule on a periodically recurring basis.
